

CRYO

R-CRYO

PREMIUM WARMTH, PROTECTION & TOUCHSCREEN PERFORMANCE

Cryo provides amazing warmth for your hands, whether you're working outside in the sleet and rain or inside a cold-storage facility. The incredibly soft insulation keeps your hands toasty warm, while the wind and waterproof nitrile base coating protects you from the outside elements. A textured nitrile palm coating provides excellent wet and dry grip, and Ironclad's exclusive carbon nanoparticle infused palm provides guaranteed touchscreen performance. Work with total confidence.

TECHNICAL INFORMATION:

PRODUCT FEATURES:

ANSI 105

CUT
A2
552g
