

HYDRO

R-HDR

ULTIMATE BARRIER AND TOUCHSCREEN PERFORMANCE

Hydro provides the ultimate liquid barrier for your hands, keeping you clean and dry in any messy situation. A liquid-proof nitrile base coating keeps your whole hand protected, while the textured nitrile palm coating provides excellent grip in all situations. Premium 15-gauge yarn gives you great hand and fingertip dexterity, and to top it off, Ironclad's exclusive carbon nanoparticle infused palm provides guaranteed touchscreen performance. A great glove for all dirty jobs.
